

For Immediate Release

26 November 2007

SYMPHONY ENVIRONMENTAL TECHNOLOGIES PLC

EXECUTIVE AND STAFF SHARE OPTIONS DISTRIBUTORS' SHARE OPTION REWARD SCHEME

Symphony Environmental Technologies Plc ("Symphony" or "the Company"), the degradable plastics and waste-to-energy Group, is pleased to announce that it has granted the following options in recognition of the efforts made since April this year and as an incentive for future performance.

Up to 2,270,000 options will be granted to all the staff of the Company and its subsidiaries under the Company's EMI scheme. The options are exercisable at a subscription price of 2.75 pence per share at any time after the second anniversary and before the tenth anniversary of the option grant date.

A total of 10,000,000 options will be granted to the Directors of the Company at a subscription price of 2.75 pence per share, exercisable between the first and tenth anniversary of the option grant date. These options are exercisable only if the share price of the Company's shares has risen to a level which is at least three times greater than the share price at the close of business on 23 November 2007. The share options granted to the Directors are as follows:

| | |
|------------------|-----------|
| Nirj Deva | 1,500,000 |
| Michael Laurier | 2,500,000 |
| Michael Stephen | 2,000,000 |
| Ian Bristow | 3,000,000 |
| Michael Stephens | 1,000,000 |

All existing share options granted to executives and staffs are to be cancelled with the exception of 1,200,000 share options granted to Michael Stephen on 28 April 2007. The 12,270,000 new executive and staff share options represent 14% per cent of the Company's current issued share capital.

DISTRIBUTORS' SHARE OPTION REWARD SCHEME

The Company is launching a new share option reward program for its key distributors in recognition of their valuable contribution during 2007 and for attaining certain sales levels going forward. The Company is intending to grant options in proportion to revenue generated by each distributor in 2007

and it is expected that up to 250,000 options will be granted before the end of the year. The subscription price will be 5 pence per share. The options may be exercised after one year from date of grant, and within 3 years from date of grant, and provided the grantee remains a distributor of d2w.

For 2008 and subsequent years the number of shares and the option price will be fixed at the end of the year.

Further information on the Symphony Environmental Technologies Group of companies:

SYMPHONY ENVIRONMENTAL TECHNOLOGIES PLC is a world leader in oxo-biodegradable plastic technology. The technology is recognised by the d2w® droplet logo on thousands of tonnes of oxo-biodegradable plastic products. Symphony develops and supplies environmentally-responsible d2w® pro-degradant additives as well as d2w® oxo-biodegradable plastic film, and rigid packaging products.

Symphony has a diverse and growing customer base in the UK and has successfully established itself as an international business after signing distribution agreements for Argentina, Australia, Brazil, Canada & USA, the Caribbean, Chile, Colombia, France, India, Israel, Mexico, New Zealand, Peru, Portugal, South Africa, Saudi Arabia, Turkey, Uruguay, Qatar and other countries. Its d2w® products can already be found in more than 50 countries.

Symphony is also developing innovative waste-to-energy technology and is exploring opportunities where there is a demand to convert plastics, tyres and other waste streams into valuable products by cost effective processes.
