To all Shareholders of Symphony Environmental Technologies PLC and, for information only, to participants in the Share Option Schemes.

Dear Shareholder

Annual General Meeting and Resolutions

Attached to this letter is the notice convening on 4 August 2026 at 11.00 am the Company's 2026 Annual General Meeting. At the AGM, Shareholders will be asked to consider the following resolutions to:

- receive the annual report and accounts of the Company for the year ended 31 December 2025 together with the reports of the Directors and the Company's auditors;
- re-elect Nicolas Clavel and Ian Bristow who retire by rotation, as Directors;
- to approve the Remuneration Report contained in the above Accounts;
- reappoint Forvis Mazars LLP as auditors of the Company and authorise the Directors to determine the auditors' remuneration for the period until the conclusion of the next AGM;
- generally authorise the Directors to issue and allot equity securities of the Company;
- authorise the Directors to allot equity securities otherwise than on a pre-emptive basis; and
- authorise the Company to purchase and hold Ordinary Shares on a "market purchase" basis.

Information relating to the Resolutions

The following information does not form part of the Resolutions and is for information only.

Resolutions 1 to 5

These Resolutions to be considered at the AGM, deal with the receipt of the Accounts, the re-election of certain Directors who retire by rotation in accordance with Articles 96-98 of the Company's Articles of Association, the election of a Director who was appointed as a Director by the Board after the last annual general meeting, the approval of the Remuneration Report contained in the above Accounts the re-appointment of the auditors and the authorisation of the Directors to determine the auditors' remuneration.

Resolutions 6 and 7

These Resolutions relate to the Directors' authority to issue and allot shares and other equity securities and to do so other than on a pre-emptive basis.

Resolution 6 gives the Directors power to allot up to a certain number of new equity securities in the Company.

This represents (a) approximately one third of the Company's issued ordinary share capital as at 7 July 2026 (being the latest practicable business day prior to the publication of this Notice) and (b) a further approximately one third of the Company's issued ordinary share capital as at 7 July 2026 in connection with a rights issue. This authority will terminate on the earlier of 15 months after the date that the Resolution is passed, or the conclusion of the next Annual General Meeting of the Company.

Resolution 7 will enable the Directors to allot equity securities in the Company, subject to the limits set in Resolution 6, otherwise than to the Company's shareholders on a pro-rata basis, up to a nominal value of £236,363. This is in addition to £145,165 in satisfying all outstanding options if exercised, and £330,000 in respect of full conversion of the convertible loan and accrued interest ("CLN").

The limit for the CLN has been calculated at 80% of the mid-market share price of 8.25p as at 6 July 2026 where the CLN total due is estimated to be £1,900,000 on 31 January 2027, the latest day of conversion if not repaid. A further 10% share authority has been added to account for potential volatility.

Resolutions 8

This Resolution gives the Company authority to purchase its own shares in the market and to hold those shares in Treasury. This authority will terminate on the earlier of 15 months after the date that the Resolution is passed, or the conclusion of the next Annual General Meeting of the Company.

Crest

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrars (ID: RA10) by 11.00 am on 31 July 2026. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001 (as amended).

Proxymity voting

10. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 am on 31 July 2026 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours (excluding non business days) before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
